SALEM DAHLIA GARDENS

236 Grant Street

Salem, N. J.

DAVID COPPERFIELD, I. D.

Salem Dahlia Gardens

Another of our giants. These blooms also have great depth and very high centers, and although the petals are rather broad, blooms are not at all coarse when fully developed. They are violet purple in color sprinkled with something akin to stardust. The blooms stand staunchly on straight stems on bushes seven and eight feet tall.

J. W. Johnston in Dahlia Futurity in "House Beautiful," says: "Several rows of this variety, Ripley and Greater Glory in the originator's garden viewed one Sunday in early October, left us almost breathless."

Root, \$10.00 net; plant, \$5.00 net

**RUD. KIPLING, F. D.**

Salem Dahlia Gardens

Blooms do not grow quite so large, only 9-11 inches, but they attracted as much attention in our gardens the past season as any other variety, on account of their wonderful color and stiff stems. The color is very deep rose with shadings of ashes of rose. Prolific bloomer of medium height. A variety worthy of its name.

Root, \$10.00; plant, \$5.00

**GREATER GLORY, Cac.**

Salem Dahlia Gardens

Upon first opening the bloom may be classed as semi-cactus, but as it develops many of the petals curl and twist and it is decidedly cactus. The color is a deep rose pink, but occasionally a bloom will show some deep cream in the center. Bush is very vigorous and grows seven to eight feet tall. It is one of the most beautiful and artistic dahlias ever originated, of immense size on very long and straight stems. Winner of eleven first prizes at National, Central States and other leading shows; also A. D. S. Medal. An undefeated champion.

Root, \$20.00; plant, \$10.00

ROBT. L. RIPLEY, I. D.

Salem Dahlia Gardens

Rhodamine purple with deep rose pink suffusions throughout the entire bloom. It is immense in size. Ed. J. O'Keeffe of Cold Spring, N. Y., one of the leading amateur growers of the United States, grew a bloom that measured 16x12, or 192 inches. Stems are straight and strong. The bush is vigorous and grows to a height of seven feet. It won many first prizes at both National Shows, Chicago and other exhibitions. Created a sensation wherever shown. It has wonderful substance and keeping qualities and will develop a full flower from a cut bud not even showing color.

King Features Syndicate in "Believe It or Not" Cartoon by Ripley, portrays Robt. L. Ripley as "the largest dahlia grown."
